

PROVENANCE

Picnics in the Garden

Rules and Guidelines

Thursday thru Sunday 12:00 to 6:00pm

Employees:

Face Masks and Gloves: All of our employees are required to wear Face Masks; some of them will also be required to wear nitrile gloves. Frequent Hand washing and glove changing is required.

Employee Health Screening: All Employees will undergo a temperature and symptom checklist before they can enter the restaurant, and all employees are encouraged to stay home if they feel illness symptoms of any kind.

Sanitation: All Chairs and Tables will be cleaned and sanitized between guests' parties, as well, all of the "high touch" surfaces will be disinfected regularly. Hand Sanitizers will be available throughout the Restaurant and Patio. The Orange County Health Officer suggests that all guests entering the restaurant use Hand Sanitizer before they sit down.

Physical Distancing: In order to eliminate up to 60% of potential viral transmission, we will only be seating guests on the Patio and in the Garden at Table Stations which have been placed 6' from one another, and as well we will encourage guests not to congregate in order to insure a safe distance from other diners.

Service:

In order to reduce contact, Provenance will use a Fine Casual approach to Service, in other words, you will order all food and beverage at the bar, at a single checkpoint, you will be given a number, and your food will be brought to your table when it is ready.

All of our food and non alcoholic beverages will be served in disposable containers, and as well, we will use pre packed sanitized disposable eating utensils. These disposable containers can then be easily used as your own "to go" container, if necessary. Currently, the County guidelines require guests to pack their own leftover food into to go containers.

Guests:

Face Coverings: All guests are required to wear a face mask when they are not eating or drinking. There will be no exceptions to this.

Seating: At this time, all seating is on a first come—first serve basis, and as well, your entire party must be present in order to be seated in the Garden or Patio. Pre- saving any tables is not permitted. Because our seating is limited, we kindly ask that you limit your time at the table to an hour and a half.

Guest Health Screening: As required by the Orange County Health Department, guests will undergo a temperature check with a no touch infrared thermometer before they enter the Patio.

We sincerely apologize for any inconvenience that these precautions may cause. Our greatest concern in these uncertain times is for the health and welfare of our employees and our guests.
